MEMORANDUM FOR: MR. DULLES  
DEPUTY DIRECTOR OF PLANS

SUBJECT: IAC Meeting, September 20, 1951

Project to Provide a More Adequate Basis  
for Planning for the Security of the U.S.

1. At the last meeting General Smith asked General Partridge to inquire how long it might take the JCS to produce Part C of this NSC project after receiving Part A from the IAC.

General Partridge is ready to answer this, but probably does not yet have the views of the planners on the other question he was asked, regarding procedures for producing the final evaluation required for the project.

2. The FBI has informed us that Mr. Whearty, Chairman of the ICIS, was to communicate directly with General Smith regarding an estimate for the completion of Part D of the project after receipt of Part B from the IIC.
